HOME

Reflections

People of taste instinctively surround themselves with tasteful home furnishings.

No part of the home more truly reflects the housewife's personality than her bedroom, where dainty, attractive furniture indicates a keen appreciation of the better things in life.

Many guests will partake of the home's hospitality during the winter months close at hand.

Furniture of comfort for the guest's room reflects a thoughtfulness on the part of the hostess that will endear her household in the hearts of her visitors.

Have you seen the season's new styles in furniture for the chamber—dainty suites white and ivory enamel, Mahogany and Circassian Walnut? Also the very latest finish in iron beds.

Our stock offers a particularly advantageous selection at this time, at reasonable prices.
